I _____ (print name), assign to the Pacific Northwest Regional Council of Carpenters, from my earnings, a sum equal to the Unions membership dues, assessments and initiation fee (the Union will notify my Employer of the current amount). I authorize and direct my Employer to deduct such sum and remit the money to the Union monthly. This assignment is irrevocable for one (1) year from this date or until the termination of the labor agreement, whichever occurs first. This assignment shall be renewed automatically, for successive 12 month periods, unless the Union and my employer receive my written notice of termination of this assignment not more than twenty (20) days and not less than ten (10) days prior to renewal of the assignment. This authorization is effective regardless of my status as a member, non-member or "financial core" payer and applies regardless of any future resignation of membership on my part. I hereby authorize the UNITED BROTHERHOOD OF CARPENTERS AND JOINERS OF AMERICA to act as my collective bargaining agent in dealing with my employer in regard to wages, hours, and other conditions of employment. All previous authorizations made by me are revoked.
