This assignment is irrevocable for (1) year from this date or until the termination of the labor agreement, whichever occurs first. This assignment shall be renewed automatically, for successive 12 month periods, unless the Union and my employer receive my written notice of termination of this assignment not more than twenty (20) days and not less than ten (10) days prior to renewal of the assignment. This authorization is effective regardless of my status as a member, non-member or "financial core" payer and applies regardless of any future resignation of membership on my part. ***
